OUR STORY

About Al Faisal Group

Al Faisal Group of Companies, established in 1989 under the patronage of our visionary Chairman H. H. Sheikh Faisal Bin Abdulla Al Mualla, is a consortium of companies with diversified business activities including, but not limited to, Construction and Real Estate, Hotels and Restaurants, Printing press, Furniture Manufacturing, Interior Designing, Aluminium and Glassing, Joinery, Poultry Farm, etc. The Group is employing over 1500 people.

The Group has been pioneering in the Construction and Real Estate field in Umm Al Quwain as well as establishing itself as one of the leading Commercial Offset & Computer Forms Printing Company in the UAE. Dimension Decoration & Furniture, the youngest and most vibrant of the group, had an exceptional growth in the past 8 years with showrooms in Umm Al Quwain and Ras Al Khaimah and carved its place in the Interior Design Industry. The new Factory set up is being equipped with the state of the art Machinery.

About Dimensions

Established in 2006, Dimensions Decoration & Furniture has built itself as a leading manufacturer and retailer of high quality designer furniture, with a leading high-skilled team of over 120 employees.

Dimensions entered the market with furniture retailing and then set up their own factory for manufacturing Designer Furniture and execute projects at larger scope. Dimensions had exponential growth in the following years and established their Interior Design division. Over the years, Dimensions Interiors established themselves as the most sought after Interior Designing Company in the Northern Emirates providing concept to finish projects, for individuals and for business projects (including, for example, interior of Emirates Airlines office).

Dimensions has now expanded further in 2015 by adding Joinery and successfully completed 2 multi-storeyed buildings in the year of commencement itself.

Mission & Vision

Mission: To become the priority choice for carpentry furniture and interior design in the region by setting new trends through planning & innovation and constantly delivering tailored options and solutions to our valued customers.

Vision: Our strategic foresight is to gain consumer confidence, credibility and constant growth with long term focus on product line expansion and corporate infrastructure. The prudent investment in the people, partners, infrastructure and facilities will allow the Company to maintain and expand our market leadership.

JOINER DIVISION

Dimensions has the most modern facility and expertise to provide wide range of products including high-end kitchen cabinets, solid doors, flush doors, fire rated doors, wardrobes and other interior custom-made items like reception counters, wall panels and contract furniture.

Our Factory, with a team of over 70 employees, has the knowledge, experience and facilities to undertake design of projects if required as well as to manage and execute all manufacture and installations wheatear medium or large-scale projects.

The Carpentry and Joinery division has a number of manufacturing facilities in the United Arab Emirates and are able to supply into major projects throughout the country and rest of the GCC to meet and exceed customer needs and expectations.

JOINER DIVISION

Dimensions undertakes turnkey fit-out projects specializing in Hotels, Residential and commercial projects as a complete package from concept to completion.

We operate using some of the largest equipment and have the ability to perform and execute complex machining tasks to match the requirements of our clients within their specifications.

Doors, Kitchen Cabinets, Wardrobes, Offices, hotels, Showrooms and Residential furniture are the major lines manufactured and installed by the experience workforce, using modern manufacturing techniques and equipment all according to strict quality guidelines.

INTERIOR DESIGN / DÉCOR DIVISION

Our Design mission is simple: develop and create interior designs that are distinctive, compelling and of superb quality and individuality for both residential and commercial projects.

Dimensions Decoration & Furniture is committed to achieving the highest level of design with a turn-key approach through their services offered. Our Interior Design Team participate in projects from the initial concepts, furniture and decoration item selection, decorative material selection and project coordination - always with precision, professionalism, attention to detail, exceptional customer service and project management skills.

INTERIOR DESIGN / DÉCOR DIVISION

Our specialised Interior Designers deal with the detailed characteristics and potential spaces entrusted to them, creating redefined and functional solutions interpreting different styles like contemporary, modern, luxury or neoclassic.

Dimensions is your ideal partner: we study rooms, propose solutions and projects and provide the materials and furnishing required, offering full support while developing every individual phase of the project.
